Call for Papers

Sponsored by the IEEE Robotics and Automation society, the 18th event of the ICIA conference series, the 2026 IEEE International Conference on Information and Automation (ICIA 2026) will be held in Yinchuan, China, from August 5 to 8, 2026, which offers a platform for researchers and practitioners to exchange and explore new ideas and opportunities of AI, Robotics, Information and Automation research and development from China and around the globe. All submitted papers will be peer reviewed and all accepted ICIA 2026 papers will be indexed by EI and included in IEEE Xplore. The ICIA 2026 conference promises to offer the participants a great experience with excellent technical and social programs. High-quality papers reporting original research results and innovations in all aspects of AI, Robotics, Information, Automation, Image Processing, Computer Vision, DSP, BME and related areas as well as their applications are welcome. All Best Paper awardees are invited to submit extended versions for leading journal publication.

Important Dates

May 1, 2026   Submission of full papers and organized session proposals
June 1, 2026   Notification of paper acceptance
June 15, 2026   Submission of final camera-ready papers

All submissions (including papers, proposals of invited sessions) should be completed via the website:
